

Teaching Experience

Private Studio, Boston, MA, 2014-present

- Teach students ages 14-65: aspiring professionals and avid hobbyists
- Many have joined and formed active bands outside of private lessons
- Specialties in jazz, rock, blues, funk, music theory, improvisation and songwriting
- Teach students in Europe and Asia via real time distance learning and online video exchange lessons
- Lessons focus on theory, improvisation, technical problem solving, practice habits, and self-analysis
- Repertoire includes Charlie Parker, Miles Davis, Jimi Hendrix, Pat Metheny and Wes Montgomery
